

OUR STATEMENT OF PUBLICATION

These documents are made available by the Timber Oak Association/The Timbers Board of Managers for general informational purposes. Please note that the original name of our Association, as stated in these enclosed documents, was the "Timbers Association". That name was legally changed on 04/23/1990 to the "Timber Oak Association".

These documents are typed reproductions of our original legal documents to facilitate their posting on our Association website. Although every attempt has been made to accurately reproduce the exactness of our original documents, some slight variations may unintentionally be present. Copies of our original documents are available for your comparison from the current President of our Association.
